INSTRUCTIONS FOR COMPLETING COVID LOG

We have created a COVID LOG as a tool to be completed and turned in by the student to the Nurse prior to returning to class. Upon receipt of the log, the Nurse will be able to assess the student and confirm they are cleared per our protocol to return to class. Select the COVID LOG specific to your child's case.

- If your child is COVID **POSITIVE**, you will select the **COVID-19 POSITIVE RETURN TO SCHOOL LOG**
- If your child has been in **CLOSE CONTACT**, you will select the **CLOSE CONTACT COVID 19 RETURN TO SCHOOL LOG**

Complete this form daily by writing down the Date, Time, Temperature, Symptoms (if none please indicate none), any medications taken then initial. We appreciate your support in these procedures. Please contact us at (281) 332-3601 or nurse@bacschool.org with any further questions or concerns.

Thank you for helping us keep our Broncos healthy!

Darcy Gonzalez, RN
