

Dear BACS Incoming Fifth and Sixth Grade Parents and Students:

The elementary teachers, in conjunction with administration, have selected a summer reading book for each grade level in the upper elementary school (grades 5-6).

Each student who is enrolling in 5<sup>th</sup> and 6<sup>th</sup> grades for the 2018-2019 school year is assigned a required book to read during summer. These books were chosen because of the impact we believe they will have on the life of our students this upcoming school year. We encourage you to discuss summer reading with your child and keep him or her motivated to complete their book before the school year begins.

A survey assignment should be completed and brought to school the first week of school (the form is below). Furthermore, each grade will participate in class discussions, assignments, and assessments related to their particular book during the first weeks back at school. Therefore, in order to participate in meaningful instruction, it is necessary for each student to have completed the summer reading assignment.

We are eager to build our program and engage our students in good reading. If you have any questions, please contact the Elementary Office.

Kindest Regards,  
Elementary Administration
