

Dear BACS Incoming Third Grade Parents and Students:

The third grade teachers, in conjunction with administration, have selected a summer reading book for students entering third grade.

Each student who is enrolling in third grade for the 2019-2020 school year is assigned a book, *The Mystery of Pelican Cove* by Milly Howard (ISBN: 9780890847114) during the summer. This book was chosen because of the impact we believe it will have on the lives of our students this upcoming school year. We encourage you to discuss the novel with your student to keep him or her motivated to complete the book before the school year begins.

The reflection assignment should be completed and brought to school the first week of school (see form). Furthermore, your student will participate in class discussions, assignments, and assessments related the novel during the first weeks back at school. Therefore, in order to participate in meaningful instruction, it is necessary for each student to have completed the summer reading assignment.

We are eager to build our program and engage our students in good reading. If you have any questions, please contact us.

kindest Regards,
